Pay and Display charges may also be paid through [RingGo](#), which is a cashless method of paying for your parking. Details are posted on the pay and display machines, and you will require a mobile phone and debit or credit card to use this service. Please note there is a 20 pence convenience charge for using this service.

Disabled facilities

There are disabled bays near the main entrances of the hospital where parking for disabled badge holders is free for up to three hours. Current charges apply if parking in a standard pay and display bay.

Car parking rules

1. Parking is prohibited in the following areas and **these rules also apply to holders of disabled blue badges.**

- on double yellow lines and hatched areas
- in ambulance bays
- access roads
- on pathways and soft grassed areas and verges
- fire access routes and by fire escapes
- all areas not designated for parking.

2. No stopping/waiting on red lined or red hatched areas.

3. All vehicles parking in pay and display areas must display a valid parking ticket clearly in the windscreen.

4. Vehicles must park within the marked bays.

5. Parking in areas designated for "Staff" requires a valid permit. Only holders of Hot Permits may park in the Hot Parking Zones.

6. Only vehicles displaying a valid blue badge may park in the marked disabled bays. Permit also required for Staff disabled bay.

7. Motorcycles must park in designated areas not in car park bays.

8. No vehicle shall occupy a drop off bay for longer than 15 minutes.

9. Any vehicle observed parked in contravention of the above rules will make the owner/driver liable to enforcement action for which a fee will be payable.
